

Stonewall Collegiate Institute

What is the High School Apprenticeship Program?

- ✓ A program offered by Stonewall Collegiate where you can get credits for working in an approved trade and GET PAID FOR IT!!!
- ✓ You will work on either every afternoon all year or every day for one semester.

How do you qualify for the HSAP?

- ✓ You must be in Grade 11 or Grade 12
- ✓ You should be 16 years of age
- ✓ You must cover compulsory requirements in Grades 9-12

Why enter the Apprenticeship Program?

- ✓ You are linked to real opportunities in the job market
- ✓ There is the chance to use state-of-the-art technology at work
- ✓ It is an access route to further apprenticeship training
- ✓ Many trades are forecasting a shortage of employees in the near future
- ✓ HSAP balances your schooling and on-the-job training
- ✓ You will receive a credit for every 110 hours of training
- ✓ You may earn up to 8 credits to be used towards graduation requirements
 - Grades are determined using Apprenticeship Branch competency lists
- ✓ On the job hours can be applied to continued apprenticeship training
- ✓ For every 220 approved hours worked in the High School Apprenticeship Program, you will receive a free level of tuition, up to four free levels. This is a \$200 savings for each level.
- ✓ You will earn minimum wage + 10%

How do I register?

You are responsible for:

- ✓ Determining a trade of interest
- ✓ Finding your own employer in an approved trade that is willing to take you on as an apprentice (the employer must be qualified and insured)
- ✓ Getting an apprenticeship agreement form from Mr. Baldwin
- ✓ Completing the apprenticeship agreement. Your parents and your employer will also have to complete parts of the form and sign the agreement
- ✓ Having your required courses scheduled every morning or all in one semester, allowing you the time to work when you are not in class.
