

Stonewall Collegiate Institute Community Report June 2022

SCI has a dedicated staff of 40 teachers and over 15 support staff working together to provide students with a quality education and a safe school environment. Stonewall Collegiate Institute has a student population of 500 in grades 9 through 12. SCI offers a wide range of academic courses and gives students the opportunity to obtain additional credits in a variety of options including Drama, Music, Woods, Metals, Foods, Clothing, Family studies, Drafting, Electronics, Outdoor Wilderness Education, Career Development and Business. Resource programming offers a wide range of support including social and academic counseling, High School Apprenticeship options, Work-experience, Peer Assistants as well as modifications and adaptations to regular programs.

We offer a wide range of extra-curricular activities available for all students who wish to participate.

The high school experience is what you make of it - at SCI the staff ensures that programs are available to provide all students with an engaging experience!

We encourage everyone to get involved and get the full experience!

Mr. J. Cassils, Principal

This has been another different year but our staff, students and families once again rose to the challenge. Here are some of the highlights from the 2021-2022 year:

... SCI ran various spirit weeks throughout the year and returned to our famous Gym Riots

...SCI staff and students were very fortunate to take part in the Winnipeg Jets Town Takeover and had the pleasure of having Jason Simon, Don Amero and Suzi Friesen speak to our students about Wellness and the importance of Mental Health

...SCI staff and students celebrated a return to athletics, extra-curricular groups and musical events, such as the spectacular band and choral concerts in June.

...Congratulations to the JV Girls Basketball team on winning the Provincial AAA Championships and to the Boys' Baseball team who were Provincial finalists.

...SCI's Class of 2022 was very successful...122 graduates in all...16 gold medals handed out...great job everybody!!

The SCI staff established the following goals for 2021/2022 and here is what we accomplished:

1. Improving numeracy skills at SCI.

- ◆ Implemented the Thinking Classroom in some of our Math classes and worked with our divisional Numeracy Lead Teacher in our Numeracy Residency.
- ◆ Provided students more time to talk Math in classes and more time to work on solving Math problems.
- ◆ Designated a Numeracy Resource block to support students.
- ◆ Created PLC groups designed to find ways to make Math classes more engaging and implement more critical thinking skills.

2. Improving the well-being of our students and staff.

- ◆ Increased awareness of mental health supports in classrooms and online via Counsellor Corner and classroom visits.
- ◆ Identified the appropriate supports needed for each of our classes and programs.
- ◆ Implemented the beginning of a Zen Den to help with the social-emotional needs of our students.
- ◆ Provided wellness support and opportunities to staff and students throughout the year, especially in the last half of the year.

3. Improving Literacy skills at SCI.

- ◆ Increased the reading resources for students.
- ◆ Provided more opportunities and time for students to silent read in classes.
- ◆ Created PLC groups designed to find ways to increase critical thinking skills in our classes and make lessons more engaging.
- ◆ Provided staff with the opportunity to learn more about the "Thinking Classroom" with Garfield Gini-Newman.
