Good afternoon,

Here is the latest information on Graduation 2024:

Graduation Fee

- The graduation fee for this year is $200 for attending the graduation ceremony and the Safe Grad.
- If students just want to attend the graduation ceremony, it will be $100.
- We will start accepting graduation fees after April 19th, once we have had a chance to let graduates know what fundraising credits they will receive.

CSC and CSC Safe Grad will be running some fundraisers that will help graduates offset their graduation fees. Administrators will be going into classes Monday to talk about the fundraisers and hand out cards.

Grad Card Fundraiser

- Each graduate will receive two fundraiser cards that they sell for $20 each.
- Graduates keep the money ($40) and use it towards the $200 grad fee if they sell them. They do not return the $40 separately to the office.
- Any graduates that want more fundraiser cards to sell can use the Presale sheet enclosed in this envelope. Once the sheet and money are brought back to the office, cards will be handed out. Graduates will get $8.00 from each additional card sold towards their grad fee.
- Graduates that sell 3 or more additional cards will have their names entered in a draw for a grand prize.
- March 8, 2023 will be the due date to hand in all fundraiser cards to the office.

Safe Grad Online 50/50 fundraiser

- Draw date is March 15, 2024.
